

VANISHING FOR EVER

Música: Carlos
Subijns

Letra: Esther
Ayestarán

Go away
For once in your life
Listen to me
Don't come back again
Go
Just go
This time for good
Never come back again
That's all I want

I must say
At the beginning
We were happy
Life was so perfect
Yes
It was
Like a mirage
We were so innocent
Till we spoilt it

Our love went up and down
Sometimes a dream
Much too good to be true
Sometimes like hell
Impossible to bear
Our love was like
Tides coming up and down
Until one day
Was carried away
By a tidal wave
Vanishing for ever

NEW WINDS COME BLOWING

Don't say I didn't warn you
Are you really telling me so ?
Don't pretend you didn't know
Now you want one more chance again

Música: Carlos
Subijana

Letra: Garbiñe
Goldaracena

All these years fooling around
Like leaves in the autumn wind
Crazy with apparent joy
Weightlessly
Flying

With an aching heart
I say no
But no hard feelings
New winds come blowing
A voice is shouting
As I walk along one of the streets
I love

ESTOY CANSADO DE SOÑAR

Quiero pensar en ti
Sabes lo que sufrí
Si no estás junto a mi
Dáme tu corazón

Música y Letra :
Carlos Subijana

El verano aquel
En el que te conocí
No pude saber
Lo que podría ocurrir

Fueron días
Que nunca podré olvidar
Fueron noches
De un gran color y amor

Aquel mar azul
Y el viento que nos llevó
Hacia un lugar
Que nunca mas regresé

Fueron días.....

Quiero estar junto a ti
Estoy cansado de soñar
Es el camino
Que un día recorrí
Quiero estar junto a ti
Estoy cansado de soñar
