

Verwicklungen (2016)

On your own

Música: C. SUBIJANA

Letra: ESTHER AYESTARÁN

One day
Life went all upside down
They said
We had to let time go
So sad
I know you ´re near to drown
On your own
Trying the way of breathing

No light
Like in the darkest night
So lost
I might think you are crazy
Tonight
Trying to understand
But you ´re gone
To change your way of living
But you ´re gone
For reasons of your own

Everything goes wrong
What is wrong with you
What went wrong with you

Resign
I never said you ´re such a clown
Not to be in love with me
Besides
I never said you ´re wrong
And I understand
Making yourself
Feel easy
On your own
Just come down
To the ground

So now
Just come and see
And look in the state i´m in
You were in love with me
Why did you get rid of me
I don´t know
What´s going on
Why don´t you share with me
Deeply
In love with me
Put your feet on the ground

Fue en una tarde

Música y Letra: C. SUBIJANA

Es lo que siempre
He deseado
Eres tú
Sólo tú
Lo que me hace siempre
Feliz

Fue en una tarde
Tú allí escondida
Me acerqué
Te besé
Nunca olvidaré
Tu mirada

Cielo azul
Junto al mar
Te vi
Suave luz
Pienso en ti
Soñé

Olvidate de aquello
Y para siempre
Todo cambió
Y todo acabó
No huyas más
Y ven.....

INSTRUMENTAL

Fantasy weaver

Música : C. SUBIJANA

Letra : GARBIÑE GOLDARACENA

Tell me
If I asked you right now
Could you
Oh could you really think
Of a song
A song
That reminds you of me
Would you
Sing it for me a love
I just need to
Hear it
And old sweet melody
That made
Our eyes bright with the ars
When we knew
No fear
When our hearts jumped with joy
Am I
Asking too much of you
My heart hunter
My night and day dreamer
My fantasy weaver

Shall we
The go on hopping for miracles
Let us
Embrace our old memories
The music and the light
And the look in your eyes
Will inspire,bring back
The fire
Unexpectedly
That you and I
Promised to keep
See how
That long a go for gotten
Music
Fills up our lazy existence
Yes lazy and dull
My old dreamer
With starry nights
